SAMOA

SAMOA

Halfway between Hawaii and New Zealand, Polynesia's heart beats with stunning natural beauty and rich history. Centuries-old customs and traditions intertwine with the lives of its people, creating a fascinating and unique culture.

Samoa comprises ten islands, with Upolu and Savai'i (the Big Island) being the main ones. Faleolo International Airport, Samoa's gateway, is on Upolu, 40 km west of Apia, the capital and commercial center.

The weather in Samoa is tropical all year round, with two seasons. The dry season runs from May to October and the wet season from November to April. The climate is hot and humid, with daily temperatures ranging from 25-32°C and ocean temperature in the low 20s.

Visitors to Samoa can discover a pristine wonderland of historical monuments and natural playgrounds. Friendly locals proudly share their rich culture and simple way of life, making for an unforgettable experience.

Within this brochure, we provide you a collection of 5 & 7-night packages for Upolu and 3 & 5-night packages for Savai'i. Each package features a selection of accommodation options, which can be combined with either airport transfers or a rental car.

Upon arrival in Samoa, you will be greeted at the airport by our experienced local staff, who are based on the island and available to assist you throughout your stay. Here you will be welcomed with a fresh flower ula (lei), a chilled bottle of water, and an itinerary briefing to ensure that all details of your holiday package are in order.
